

## SAUNTON GOLF

On Thursday 5<sup>th</sup> March Saunton hosted the Devon Golf Captains annual team challenge. A stableford betterball team event with teams of four players divided into one pair on the East course and the other pair playing the West course with both scores added for the team result.

This competition is extremely popular amongst the Devon Captains' Association and the Saunton capacity of one hundred and sixty eight competitors was quickly filled with everyone enjoying a dry Spring day although scoring was not easy as the weather might have suggested.

Peter McGovern, thirty years the resident professional at the Belfry and host of four Ryder Cups, provided first class after dinner entertainment and rounded off another memorable Captains' day at Saunton.
