

## SAUNTON GOLF

On Wednesday 7<sup>th</sup> October 2015 one hundred and thirty two golfers arrived at Saunton for the inaugural UK Captains Inter County Championship - The Saunton Salver. The event comprised eleven County Past Captains' Associations each fielding a team of twelve players.

The competition was a two day betterball stableford with all competitors having played both Saunton's East and West courses.

With some competitors having travelled from South Wales, Shropshire, Derbyshire and Suffolk it was especially pleasing the weather conditions were perfect for both days.
