

Fellow Past Captains,

I feel very proud and honoured to have served as the President of the Devon Golf Captains in 2025.

I have really enjoyed playing in many of the matches under our Captain Bob Beeson and his trusty Vice Captain Dave Smith. The camaraderie has been excellent and it was good to renew many old acquaintances as well as meeting and making new friends.

We were blessed with fine weather for my President's Day at Saunton in May. My thanks go to all of you who participated and in particular to our Honorary Secretary Ian Black who meticulously planned and organised the day on our behalf. I would also like to thank the management of Saunton Golf Club for allowing us to play the course on such favourable terms.

It has been a very enjoyable and memorable year for me and I hand over to our 2026 President Roger Monson with my very best wishes.

Thank you all for your friendship and support.

Peter
